

Safety Bulletin No.	2020 05	Date Issued	20 th February 2020
Subject	Osgood Dr – Extra truck activity		
Area of Concern	Temporary speed reduction 40km/hr		
Issued By	<i>Steve Caldwell</i> (WHS – 0402 782 375)		

Introduction

Due to extra roadworks scheduled to be done opposite the new Cold Store site at the end of Osgood Drive over the coming days there will be a temporary speed reduction. The eastern end of Osgood Drive from the McMillans Road Intake Station road to Charles Eaton Drive (photo refers) will be reduced to 40km/hr in the easterly direction only, from Friday 21/2/2020 – 0800 hours until Tuesday 25/2/2020 – 1700 hours.

The speed trailer has been placed at the start of speed reduction zone to highlight the temporary speed reduction in this area. The electronic speed sign will only be activated during the times when the extra truck activity will be occurring.

Action

Please heed the temporary speed reduction during this period.

THINK SAFELY, ACT SAFELY
