Conditions of VIC issue

- You cannot apply for a VIC if you have been refused an ASIC or are the holder of an ASIC that has been suspended or cancelled
- A VIC can only be issued for a maximum of 28 days
- You cannot apply for a VIC if you have had 28 VIC days within 12 months; unless
 - You have an application for an ASIC lodged (must provide proof)
- **VIC holders must only enter the secure area for which they have stated in this form.** If they require access to a new area, they must request approval from the Terminal Control Centre
- VIC holders must carry valid photo ID at all times if their VIC does not have their photo printed on it
- **VIC holders must display their VIC with the yellow side visible and above the waist**
- **VIC holders must be escorted by valid ASIC holder at all times when entering a secure area**
- VIC holders must leave the secure area immediately if they are no longer being supervised by a valid ASIC holder
- VIC & ASIC holders may be subject to and must comply with identification checks by Airport Operations Staff, Australian Federal Police and Airport Security Officers
- VIC holders who have 'Tools of Trade' and are working in the *Sterile Area* of the terminal must be supervised by a valid ASIC holder at all times and must not leave tools unattended or accessible to the public
- VIC holders must report immediately to the Terminal Control Centre if a VIC has been lost, stolen or destroyed
- VIC Holders must return the VIC to Terminal Control Centre as soon as it has expired, or if they no longer have an operational requirement to hold the VIC
- The issue of the VIC is at the discretion of Darwin International Airport
- **If you intend to enter the Custom Controlled Area(s) of Darwin International Airport, you are bound by the Aviation Security Transport Regulations 2005 & the Customs Act 1901. You also consent to DIA providing a copy of this form to the Australian Border Force for a security assessment**
