

No.	Date & Time	Event	Location
1	Wed 4 Oct 10-11am	Launch DIA management and WHS will open national safe work month and outline how safety has generally been tracking over the past 12 months at our airports and outline the activities planned for the month. There will be a morning tea provided and all airport stakeholders are invited and welcome to come along.	Wirraway Board Room DIA Terminal
2	Thurs 5 Oct 10am-12pm	CPR & Defibrillator training You may have seen the defib machines around the airport. Do you know how to use them? Or when to use them? If not join us and get some free refresher training. You never know when you might need it? Do you know the latest CPR? Come along and get an excellent refresher on these critical skills. <i>Presented by St. John Ambulance</i>	Pandanus Room DIA Management Centre 1 Fenton Court
3	Fri 6 Oct 9-10 am	Ladder Safety Falls from ladders are one of the most common causes of serious workplace accidents in Australia. At NT Airports we have a strict policy on ladder safety not just to protect the ladder user but also the general public. Do you, your staff or contractors under your control use ladders? If so you should to be informed so come along to this informative workshop. <i>Presented by Steve Caldwell (WHS – NT Airports)</i>	Pandanus Room DIA Management Centre 1 Fenton Court
4&5	Tues 10 Oct Thurs 12 Oct 10am-12pm	Hot Work Permits Hot work permits are required for all fire / spark risk work activities on airport. Project Managers, Contractors, Tenants & Facilities Managers need to be aware of what NT Airports requirements are. A light lunch will be provided. To ensure all relevant stakeholders can attend this workshop we have scheduled two sessions. <i>Presented by Joe (Blackwoods) & Steve Caldwell (WHS – NT Airports)</i>	Pandanus Room DIA Management Centre 1 Fenton Court
6	Fri 13 Oct 12-1.30pm	Di or De-Stressed In this busy world this is a fun session on how to balance stress in our lives. This session highlights the importance of managing our stress at work and at home. There will be healthy fruit platter available for all participants <i>Presented by Lisa Svava Q2Health</i>	Pandanus Room DIA Management Centre 1 Fenton Court
7	Mon 16 Oct 10-10.30am	Launch - Airport Safety Week Airport Safety Week (ASW) is celebrated nationally and internationally across all airports. All airport stakeholders are invited to come along and participate. Management of NT Airports will formally welcome and open the ASW activities. Some refreshments will be provided. <i>Presented by NT Airports management</i>	Wirraway Board Room DIA Terminal
8	Mon 16 Oct 11am-12pm	Emergency Management - Active Armed Offender workshop Day 1 of this year's Airport Safety Week is emergency management and this year we will be presenting our Active Armed Offender workshop to reinforce for airport tenants the protocols in place to manage this serious and now all too frequent occurrence. This workshop is based on current Office of Transport Security guidelines in this heightened terror threat environment. <i>Presented by Rob Phillips (Head of Security – NT Airports)</i>	Wirraway Board Room DIA Terminal
9	Tues 17 Oct 10am-12pm	Developing a safety culture - Airport Safety Week Today's modern workplace requires a good safety culture particularly in the aviation environment and NT Airports along with its airport stakeholders encourages and embraces a just safety culture. Is your safety management system – Present, suitable, operating and effective? Come along and share your views and hear how NT Airports promotes a "Just Culture" with our airside safety guru Bob Calaby. <i>Presented by Bob Calaby (Aerodrome Safety and Standards Manager – NT Airports)</i>	Wirraway Board Room DIA Terminal
10	Wed 18 Oct 8-10am	FOD walk - Airport Safety Week All airports across Australia are conducting a FOD walk on their airports. Come along and enjoy a sausage sandwich and a cool drink after. Register your interest now! <i>Coordinated by Mike Clancy (Airside Operations Manager – DIA)</i>	Connellan Room & Airside RPT apron DIA Terminal Alice Springs Airport
11	Thurs 19 Oct 10am-12pm	Loading Dock & RAMP management – reducing the wildlife hazard One of the biggest hazards to aircraft is wildlife and one of the biggest sources of wildlife attractants are activities based on the dock and the ramp. In keeping with this year's ASW theme of "One Airport, One Team" come along to this informative workshop <i>presented by our Head of Airside Operations Garry Porter</i> to see how we can work together to reduce this risk to our workplace.	Wirraway Function Room DIA Terminal
12	Fri 20 Oct 10am-12pm	Wear PPE to Work Day – End of Airport Safety Week Be a part of the national and international celebration of wear PPE to Work day and join in for the airport photo shoot to mark the end of Airport Safety Week. Come along and join in on the fun.	Alice Springs Airport DIA Terminal
13	Mon 23 Oct 10am-12pm	Manual Handling Lifting, bending, pushing and pulling through manual handling activities is one of the biggest risks to workplace health and safety. Come along to this workshop presented by Terri Vandenberg an experienced injury management consultant & physiotherapist to provide skills for managing this risk in your workplace. <i>Presented by Terri Vandenberg – Injury Management Solutions</i>	Pandanus Room DIA Management Centre 1 Fenton Court
14	Wed 25 Oct 12-12.45am	Limbering for Health This is a fun class run by Kara-Glenn Worth from the Liberty Academy of Dance. Come along and learn how to limber up your body and be work ready. You don't need to be a fitness fanatic this session will suit everyone regardless of your fitness level or current flexibility. <i>Presented by Lisa Svava Q2Health</i>	DIA - Aviation Institute Charles Eaton Dr / Collopy Rd
15	Thurs 26 Oct 8.30-11am	Confined Space Entry Around airport we have a number of confined spaces in the form of pits for lighting, water, sewerage, electricity or communications. If you or your contractors need to access these come along and receive training on what is our system for accessing these areas. <i>Presented by Rob Hangan (Total Safety Solutions) & Steve Caldwell (WHS – NT Airports)</i>	Pandanus Room DIA Management Centre 1 Fenton Court
16	Mon 30 Oct 10am-12pm	RMSS Reporting – NT Airports Staff ONLY At NT Airports we operate in a "Just Culture" and to do this we need our staff to report all accidents, incidents, near misses and risks and take action on them. All staff will need to be aware of this system to ensure they know how to do this. This is a KPI for our Safety Action Plan. <i>Presented by Steve Caldwell (WHS – NT Airports)</i>	Pandanus Room DIA Management Centre 1 Fenton Court
17	Tues 31 Oct 1-3pm	Working at Heights Falls from height are a big risk in any organisation especially in a 24/7 airport environment. If you or your contractors need to work at height come along to this informative session and learn what minimum standards are in place on airport. <i>Presented by Rhett Nothling (Head of Projects) and Steve Caldwell (WHS)</i>	Pandanus Room DIA Management Centre 1 Fenton Court

All airport personnel, tenants, and contractors are invited to attend any and all sessions as notated above.

Bookings required for all sessions to **Di Stephens:**
