

SAFETY BULLETIN

Safety Bulletin No.	2022 07	Date Issued	12 th August 2022
Subject	Boom Gate works – DIA Staff Carpark		
Area of Concern	Traffic management		
Issued By	Ground Transport Manager (0402 088 164)		

Background

Digging up and replacing the wiring for the sensor for the entry and exit gate at the Staff Carpark. Scheduled for Tuesday 16th August 2022.

Actions

- Traffic controller will be on location for to ensure safe entry and exit of vehicles to and from the car park. Traffic exiting from the car park must give way to traffic entering from *Cecil Cook Ave* at **ALL** times.
- Works to take place at each lane in turn with delineation to be moved as works move from left lane to right.
- Vehicles mounted warning device(s) to be in operation at all times during works at the site.

Signed:

Jordan Schrapel
Ground Transport Manager
